Special application segment for Create-A-Dream, Kids Creative Summer Camp 2010

FOR STUDENTS ENTERTING 6th-8th GRADES, FALL 2010 ONLY

Create-A-Dream is a program for students in Middle School that combines the originality and excitement of creating a music with the importance and responsibility for making change in our world. As part of this program, participants will work as a group to explore a problem in the world and use their own creativity to solve it.

To apply, please answer the following question on the page provided. If you need more room, use the back of the sheet or add another page. You should answer to the best of your ability.

What is one problem that you see in the world and what would you do to change it?

What is your favorite style of art (this can be theater, music, visual art, dance, video or something else)? Why is that your favorite? Do you have experience performing (not a requirement)?
