## Parent Consent to Participate in the Evaluation of the 21<sup>st</sup> Century Community Learning Center Programs

Dear Parent,

The Kids Creative Summer Program that your child attends is partially funded by the Federal 21<sup>st</sup> Century Community Learning Centers grant program. The federal government requires that we collect information on children to monitor their progress, as well as the progress of our program. Kids Creative is conducting an evaluation to learn how the program helps students and how it can be improved in order to meet the grant requirements.

We ask permission from parents to:

- Contact their children's school and obtain records from the NYC Department of Education showing their progress, including information about enrollment, grades, citywide and statewide test scores, and their attendance.
- Talk to teachers and after school program staff about children's progress and participation in the program and review program records on participation in the program.

Due to our grant funding requirements, **WE WILL NOT BE ABLE TO ALLOW YOUR CHILD TO PARTICIPATE UNLESS WE RECEIVE A SIGNED AND COMPLETED PERMISSION FORM FROM YOU.**

**Any information we collect will be used only to assess the summer program and will not be made public. Data will be collected on all children in the program and analyzed as a group, not by individual student. We will not use your name or your child's name in any report.**

Please complete and return the attached form below. We thank you for your cooperation and look forward to another productive and enjoyable fall with your child.

I give Kids Creative permission to gather data regarding my child from the New York City Department of Education, for purposes of fulfilling its reporting requirements to the United States Department of Education. I also understand that all data will be analyzed by group and not by individual child; and all information about my child will remain strictly confidential.
